ELIJAH FOOCHEE.

[To accompany bill H. R. No. 135.]

March 5, 1840.

Mr. Brockway, from the Committee on Revolutionary Pensions, made the following

REPORT:

The Committee on Revolutionary Pensions, to whom was referred the petition of Elijah Foochee, report :

That the petitioner states, in the declaration to which he has sworn, two periods of service during the war of the revolution : the first commencing in the autumn of 1780, and continuing eight months ; the other period shortly subsequent, and continuing six months. The first term of service is clearly proved by two respectable witnesses to have been performed by the petitioner as a draughted militia soldier. The six months' service is stated in the petitioner's memorial to have been rendered as a captain in a volunteer company of light horse. But the committee are of the opinion that the claim to a pension in virtue of this last alleged service is not satisfactorily made out; and they, therefore, report a bill granting a pension for but eight months' service as a private.
